We also have several Mossberg home defense shotguns on sale at competitive prices. In addition, SimTrainer is selling several of the 2011 range guns at prices at or below dealer cost, 30 days same as cash with a 25% down payment on firearms purchases as long as final payments and transfers are made by Christmas eve---All sales are final, no refunds.

We will also be selling the remainder of the allocated Glock raffle tickets throughout the day, and the winning ticket will be drawn at 5:00 pm. Any member who brings a guest who joins the range that day will receive one FREE entry in the raffle, and the new member will receive a \$25 discount off of the cost of membership. Remember, only 100 tickets will be sold!!!

SimTrainer will also make the newly remodeled gun cleaning room available to the membership beginning on Black Friday. Members will be given the opportunity to purchase the right to use this area to clean their guns before leaving the range after time spent shooting. All members who purchase this membership option will be given the privilege of using the Ultrasonic cleaner once for FREE. As an added bonus, SimTrainer’s resident armorer, Doug Moore, will be on hand to clean, modify or repair your firearms. Doug recently completed the remodeling of his repair room on the north end of the building off of the cleaning room, so this will be the perfect opportunity to introduce the membership to his work area and services.

Finally, be sure to tune in to a special Black Friday broadcast of “Shootin’ from the Hip” on AM 1290 and 95.7 FM NewsTalk Radio WHIO from 6:00 to 8:00 am. Mark and Jeff will be back on the air after several weeks of being pre-empted by UD football, so they have a lot of catching up to do. Please join us!
